

## 9 Decorating Trends for Fall

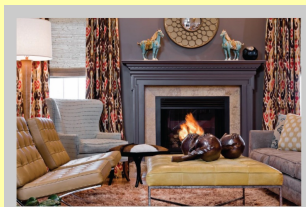

changing interiors from "blah to ahhh"

### Warm up Wall Art

Switch out old wall decorations and warm up your living room with art incorporating seasonal colors and themes.

### Mix and Match Patterns

Use different patterns in autumn colors to bring warmth and a welcoming feel to any living room.

### White Pumpkins

Want subdued, simple fall decorations? Use white pumpkins for an elegant look (and one that's perfect for Halloween.)

### Brighten the Front Door

A flower wreath with bright yellow, orange, and green colors can brighten up any doorstep. Enhance it more with similar vibrant potted plants and pumpkins.

### Natural Rustic Decor

Use antlers, stained and weathered wood, and other rustic elements for a natural, homey feel.

### Wicker Accessories

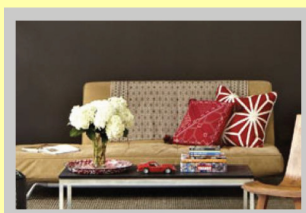

Bring a natural feel to your cozy rooms with wicker furniture and accessories.

### Stencil Fall Patterns

For a little DIY, spice up plain lampshades with leafy designs.

### Warm Textures

Change up your fabrics. Replace light cottons with knits, wool, or tweed. Use quilted or knit throws to add a cozy feel to any furniture piece.

### Splashes of Color

Add small bursts of color to your living room. Deeper warm toned curtains and carpets provide a subtle backdrop for bright pillows, cushions, and decorative elements.
